GITEX GLOBAL @Dubai

| 13 - 17 OCTOBER | DUBAI WORLD TRADE CENTRE
| CYPRUS NATIONAL PAVILION | HALL 13 C01-C15

Cyprus is making waves on the global tech stage again, and this time we're bringing that energy to GITEX GLOBAL 2025 with a dedicated NATIONAL PAVILLION that showcases the island's transformation into a rising powerhouse for innovation, technology, and digital excellence.

Backed by the Ministry of Energy, Commerce & Industry - Cyprus Trade Centre in the UAE, this landmark presence will spotlight the country's growing tech ecosystem and the strategic advantages that make Cyprus a prime destination for startups, scale-ups, and investors.

Step inside the Cyprus Pavilion and discover 14 pioneering companies shaping the digital economy and driving innovation across multiple sectors: from mixed reality software, deep tech and AI-enabled hardware & software, to cybersecurity, compliance & regtech, automation (AI-enabled hardware & software), edtech, IT consulting, hosting and managed services. Their expertise spans software development, credit risk management, data center and OTT services, AI-assisted corporate advisory, and advanced research — positioning Cyprus at the forefront of digital transformation.

Don't just watch the future happen...be part of it. Connect, collaborate, and explore opportunities that are shaping the next wave of global digital innovation.
