EXPERIENCE

CYPRUS

GITEX GLOBAL Dubai

7 – 11 DECEMBER | DUBAI EXHIBITION CENTRE, EXPO CITY DUBAI | CYPRUS NATIONAL PAVILION | H35 - A80

Innovation, expertise and global ambition come together at the Cyprus Pavilion at GITEX GLOBAL 2026.

Organised by the Ministry of Energy, Commerce and Industry of the Republic of Cyprus, in collaboration with the Cyprus Trade Centre in Dubai, the Cyprus Pavilion serves as a gateway to the country's thriving technology and innovation ecosystem.

Bringing together both innovative technology companies and key business support organisations, the Pavilion showcases a dynamic cross-section of Cyprus' digital economy and highlights the country's emergence as a leading regional hub for innovation and digital transformation.

From advanced software development and artificial intelligence to cybersecurity, telecommunications, digital education, health technologies and business intelligence solutions, Cyprus-based innovators are helping organisations worldwide navigate the future.

We invite you to explore the companies and organisations featured in this leaflet, discover their solutions and services, and connect with potential partners driving technological excellence from Cyprus to the world.
